

Nora's Play School

2009 Billing Cycle

Full time rates are based on a cycle of 20 working days per month during the year. As shown in the following chart, most months have more than 20 working days. These extra days can be considered free childcare. No matter how many days we are closed in a month you still pay the same tuition every month.

2009 Billing Cycle

Month	Total Days Open	Days Billed	Extra Days Per Month
January	20	20	0
February	20	20	0
