1 BASIC SERVICE

We accept children ages 2—6, where children are encouraged to learn, grow, and develop, at their own, individual pace, with the goal, to move children up to the next level in the program, and at a particular age. While we welcome all, a child experiencing prolonged difficulty adjusting to the early learning center may not be emotionally ready and alternatives will be suggested. All children are given an equal opportunity, to participate in all areas of age appropriate learning. These activities may include manipulative, clay, and/or play-doh, painting, dramatic play, circle, music, outside play, group activities, story time, cooperative games, etc. Please be considerate of curriculum's in progress when dropping-off and or picking-up children.

2 OPTIONAL SERVICE

Nora's Play School may hire consultants to come in and work with small groups in such extra curricular activities as: Sign-language, foreign-language, movement with music etc. Fees for a child's participation are not included in the normal rates and will be discussed separately and as needed or requested.
